

## Would your community project like help from **PILTON GREEN MAN?** Please read on!

Charity No 1170742

The Pilton Green Man Charitable Incorporated Organisation (CIO or trust) exists 'to promote good citizenship for the public benefit by helping the development of a volunteer force to assist the Pilton community'. It does this by making grants to community organisations, schools, charities, groups and individuals to carry out projects which will benefit them and the people of Pilton.

It uses money raised from successful Pilton Green Man Days - which very much depends on the weather - to award typical

grants of up to £1000 for groups or organisations and £250 for individuals. Since 2017, awards have been made to:

- Pilton Church Hall (for installation of a permanent bar)
- two Pilton members of the North Devon Sinfonia (left) taking part in an international festival in South Korea in September 2017)
- two young people going to Kira Farm in Uganda (a project run by the Barnstaple-based Amigos Charity) as part of a Pilton Community College trip (below) in October 2018.

If you have a project which might qualify for support, please contact trustee Martin Haddrill on [m.haddrill@btinternet.com](mailto:m.haddrill@btinternet.com) to discuss your ideas before preparing an application. This should ensure that your proposal is suitable. The application form can be found on the **Pilton Green Man CIO** pages of the Pilton Festival website [www.piltonfestival.co.uk](http://www.piltonfestival.co.uk) together with other information.
